The best way to avoid the risk of food poisoning is to use separate chopping boards for each food group, making this white colour coded board ideal for a commercial kitchen.

Suitable for use with dairy products the board also features an anti-bacterial surface which stops the growth harmful organisms before they pose a threat to customers.

- Antibacterial chopping surface
- Ensures safe food preparation
- Highly durable
- 450x300x10mm (18"x12"x1/2")
- Material : Low Density Polyethylene
