Colour coded brown for use with vegetables this high density chopping board can be identified quickly at a glance, separating chopping boards for each food group is the most effective way to avoid the risks of cross-contamination.

The board is non-absorbent, robust and hard wearing, ensuring best hygiene practice and a long lifespan. Constructed from High Density Polyethylene (HDPE), this board is incredibly hygienic and easy to clean.

- Brown - for Vegetables
- Made from High Density Polyethylene (HDPE)
