The HT6 is part of Lincat's Silverlink 600 range which meets the needs of every modern, busy catering establishment.

The Lincat Silverlink 4 burner boiling top has a low level flue and powerful gas burners with flame failure device for added safety. Featuring fully pressed and sealed hob tops for easy cleaning and robust and easy to clean vitreous enamelled cast iron pan supports. The low level flue maximizes working area and enables you to use large stock pots.
