Strong, hygienic and easy to clean this 20 inch exoglass spatula from Matfer can also resist temperatures up to 220 degrees Celcius, making it suitable for many cooking and preparation tasks including sugar work and caramelisation

Made from rigid exoglass, this utensil is particularly well suited for making mayonnaise, creams and thick sauces which require a stiff utensil with minimal flexibility

- Plastic and stainless steel construction.
- Hollow central pole can hold ice cubes to cool liquids.
- Includes drip tray base
- Push down tap mechanism
- Non-slip feet
- Push down tap mechanism.
- Material : Exoglass
