Storing your food has never been easier, thanks to this Araven shallow food storage tray (17in).Because of its construction from high density polyethylene plastic, this sturdy and robust tray will stand up to years of heavy duty usage and therefore save you money on buying replacements.

With a temperature resistance of -40C, its especially good for grouping together items in a freezer and making the freezer cleaner and more organised.

- Made of tough high density polyethylene
- Dishwasher proof and stackable
- Suitable for freezer storage to -40°C
- Material : HDPE - High Density Polyethylene
