Ensure your kitchen runs more efficiently with the Tellier Triturator 4mm spare sieve.

Ideal for use when you are pureeing a range of fruits and vegetables, the spare sieve helps you prepare different ingredients without having to wash up, improving your serving times and reducing the risk of cross contamination.

- Ideal for when you have multiple purees to make and process with little time to spare
- Sturdy, hardwearing and durable
- For use with the Tellier triturator (J415)
- Hole size: 2mm
