Designed specifically for heavy mixing, the KitchenAid K5 in white uses a unique planetary action to ensure every part of the large 4.8 litre bowl is thoroughly mixed.

With full metal construction throughout, the KitchenAid is built to last - even the motor uses direct drive technology to channel its full power into the mixing mechanism.

Size

Unit	Height	Width	Depth
Mm	411	264	338
Cm	41.1	26.4	33.8
Inches (approx)	16	10	13
