Strong, high quality coffee filter papers suitable for use alongside most professional filter coffee machines, including Buffalo, Bravilor Bonamat, Burco and many others.

These commercial coffee filter papers are designed specifically to reliably hold large quantities of hot coffee grinds without ripping or dissolving.

- Mess free
- Reduces the need to manually clean metal or plastic filters - simply dispose
- Reduced micro-fines, producing a brighter cup of coffee in comparison to metal filters
- Bleached - no paper taste transfer
- Strong filter papers - ideal for commercial quantities of coffee
- Biodegradable
