Made from high quality stainless steel that can withstand regular use in busy commercial and domestic kitchens, there might not be a better pan for the job.

Featuring a 4 layer, non-stick coating that protects the pan from stuck-on food and makes it easy to clean, the frying pan is low maintenance.

- Excellent non-stick cooking surface, coated four times for extra long life
- Not dishwasher safe
- Epoxy finished steel handle fixed by sturdy rivets
- Heat resistance to 150 degrees centigrade
- Can be used on any heating surface except induction hobs
- Reinforced base and 3-5mm body thickness
- 280mm
- Material : Stainless Steel and Aluminium
- Capacity : 2Ltr
