Show off your delicious baked goods, cakes or drinks with this King KC120 refrigerated countertop display fridge with LED lighting.

This compact countertop unit is made to allow you to place your baked goods in a convenient location where they can merchandise themselves to hungry customers. Whether you are looking for a small bakery case to place on your cafe's counter near your point of sale, or a refrigerated display to set up on your takeaway counter where customers can see your dessert selection while they wait, this unit is a great option. You can even use it in your shop to keep a selection of sandwiches or fruit tarts on display at eye level!
