This long anodised aluminium handle from Jantex is designed for use with Jantex squeegees L478, CF248 and CF246 (sold separately), creating the perfect solution for cleaning hard to reach areas.

When combined with the squeegee, this tool makes an ergonomic window cleaning tool which glides across hard surfaces with ease - removing any liquids or residue in its path for a spotless professional finish.

- Long handle for cleaning hard-to-reach areas
- Easy grip handle
- Anodised aluminium finish for added durability
- Perfect for window or floor cleaning
- Lightweight
- 1280mm (L)
- Material : Anodised aluminium
