Create additional work space in your kitchen with this King L7250R 4 door prep fridge counter.

Worktop fridges are a convenient addition to any commercial kitchen. With the ability to keep your ingredients stored right below the work surface, your staff can work efficiently to complete food prep tasks. Perfect for quickly and neatly storing essential food, the King L7250R bench fridge serves as a welcome addition to any fast-paced kitchen. This unit requires a 13 amp plug connection for operation.
