The Vestfrost M85 compact display chiller has a 106 litre capacity, measuring 493w x 830h x 587d mm this chiller will almost fit anywhere.

With the fan assisted cooling the entire of the fridge will be chilled to the perfect temperature leaving no warm spots, the digital temperature control allows you to set the fridge to your desired temperature depending on what you are storing or displaying in the chiller. The reversible door, LED lighting and the black finish with aluminium trim all add to the quality of this item.
