With its low energy use you will not only save money but will also be helping to contributing to protecting the environment.

Size			
Unit	Height	Width	Depth
Mm	900	900	575
Cm	90	90	57.5
Inches (approx)	35	35	22

- The MG3 has been engineered with a fully foamed shell, driving significantly improved temperature performance
- Dimmable LED lights create a beautifully illuminated display area, encouraging impulse purchases
- The MG3 is one of the greenest bottle coolers on the market, with up to 30% energy savings compared to the previous range and R600a environmentally friendly refrigerant as standard
- Innovative flat shelving design ensures no more 'wobbly' bottles, allowing effortless stocking and retrieval of drinks
- Low maintenance condenser design reduces the risk of blockages, meaning that the refrigeration system doesn't have to work so hard
- Top mounted door locks are supplied as standard, keeping contents safe and secure
- Power Type : 642
- Power Supply : 613
- Material : Anthracite frame, glass
- Capacity : 225 x 330ml bottles 260 x 250ml bottles
