Cut down on your prep time and increase profits with the Modena MVC01 Commercial Veg Prep Machine!

Food preparation can be one of the most time-intensive parts of any food business, and adding a veg prep machine to your kitchen's arsenal is a great way to cut down on that time! This high capacity vegetable cutter boasts a continuous feed design so you can slice, grate, and shred fresh ingredients for just about anything on your menu non-stop, with greater speed and safety than prepping ingredients by hand.

Size

Unit	Height	Width	Depth
Mm	480	235	490
Cm	48	23.5	49
Inches (approx)	18	9	19

- Powerful 3/4 hp motor minimises prep time to keep up with the demands of a busy commercial kitchen
- Built-in safety mechanism stops motor when the pusher is opened more than 12" to prevent injury
- 6" x 3" kidney-shaped hopper, 2" cylindrical hopper, and plunger simplify food processing in high output kitchens
- Includes 5 discs for grating, shredding, and slicing; for versatility, other disc styles and sizes are available
- Great for processing a wide variety of vegetables
- Aluminium body
- Max throughput per hour: 300 KG
- Weight: 22.5 KG
- Easy to change blades
- Power Type : 642
