Stunningly attractive, highly powerful and incredibly easy to use, the Fracino 3 group PID espresso coffee machine is a perfect marriage of style and control and is the flagship product in Fracinos huge variety of premium coffee machines.

The Output of the Fracino is complimented by the independent boilers for each group, meaning constant, reliable production of up to 600 espressos every hour - perfect for the busy coffee shop, service station or anywhere large quantities of coffee are served.Installation and training included with purchase to UK Mainland only, excluding Offshore & Remote locations (you will be contacted to complete a pre-installation checklist, before installation date is booked and machine arranged for delivery).IMPORTANT: orders for Offshore and Remote locations (Ireland, Highlands, Islands etc) will incur additional charges with added delivery lead times - phone order only, please call us for more details.

Size

Unit	Height	Width	Depth
