The Modena PM1SS Popcorn Machine produces bucket after bucket of fresh, buttery popcorn for hungry customers!

Featuring 1.4KW of power, this machine will keep hot popcorn flowing as quickly as your customers can eat it up! The unit's bright stainless steel frame and printed graphics will catch the eye of passing customers and draw them in for a delicious snack. Presenting one of the best values on the market, this popper will pay for itself in just a few hours!
