The professional pizza oven PZ 430 2D is particularly innovative in its double regulation.

The professional pizza oven PZ 430 2D is equipped with an innovative system of double regulation of the vault and the bottom of the oven: - A thermostat regulates the oven chamber and the infrared quartz in the upper part - A power regulator for the bottom, that is to say the firestone and infrared quartz in the lower part.

Size

| Unit | Height | Width | Depth |
