The Modena SL250 Commercial meat slicer features a compact design that's ideal for small operations.

An ideal addition to small meat slicing needs, this mediumduty slicer provides enough power so that you can quickly slice up your own meats or vegetables for sandwiches, pizzas, and starters. Perfect for medium-volume applications where a slicer is used less than 3-4 hours per day, this unit is a great choice for cafes, takeaways, small restaurants, and catering businesses.

Size

Unit	Height	Width	Depth
Mm	485	437	437
