- Please check door entry sizes before ordering.
 - Delivery is made to kerbside only.
 - Drivers do not unpack or position goods.
 - A 25% restocking charge will apply for all returned goods.

Embrace the energy efficient power of the Silverlink 600 Electric Induction Hob, which typically delivers 90 efficiency when compared with a solid electric hot plate at 55 and gas hob at 50.

An added efficiency is that ventilation and air conditioning costs can also be reduced, as the heat is generated in the pan instead of the hob surface, focusing energy where its needed, and not wasting it into the kitchen.

Size			
Unit	Height	Width	Depth
