The SLR6C is part of Lincat's Silverlink 600 range which meets the needs of every modern, busy catering establishment.

The Lincat SLR6C is a 4 Burner gas range with fully pressed and sealed hob tops and large capacity oven. The four gas burners not only offer power, but also come with a flame failure device for added safety. This oven range is perfect for cafes, bars, care homes and small restaurants, it also comes with a low level flue which maximises the working area and enables you to use large stock pots. The fully pressed and sealed hob tops make for easy cleaning.
