Why not try our stylish King bottle coolers? These coolers are not only perfect for your pubs, clubs and restaurant's but also ideal for your home, as they will display your fine wines and designer beers for that wow factor. We have a wide range to choose from, holding as little as 28 bottles to as much as 492 and a whole lot more in between, with a sleek silver and easy to clean finish that would complement any establishment. It's digital thermostat display panel not only looks good but is easy to use at a glance and thanks to its HD cooling, its efficient cooling power gets bottles down to temperature rapidly, (no more waiting forever for that cold beer). The super cool LED white light will enhance all of your merchandise as well as saving you money on running costs.
