Keep prepared foods hot, safe, and ready to plate with the Modena TBM1 wet heat bain mare with tap.

Keeping foods at safe holding temperatures is vital to any food operation, and investing in a bain maire can be a great way to maximise output. For cafes, buffets, caterers, chip shops, takeaways and other food service establishments that periodically need to keep food hot and ready for several hours, this warmer is the perfect choice. Keep your customers happy with piping hot mash potatoes, gravy, sauces, scrambled eggs, sizzling bacon, and other delicious foods!
