This 9 " X Squared bowl embodies the classic understated elegance of Churchills plain whiteware, and is made specifically to withstand the daily rigours of the professional catering industry.

The bowl is super vitrified at a high temperature for over two days to ensure strength and durability, and a reinforced rolled edge increases chip resistance.

- Dishwasher, microwave and shatter proof.
- Flexible, versatile and highly durable, with a refined rolled edge for excellent durability and glazed flat foot on all bowls and plates to reduce scratching and metal marking
- Clear polycarbonate plastic covers available to fit square plates preserving freshness and offering premium presentation as an attractive alternative to cling film.
- Super vitrified
- 235 x 235mm
