

STAINLESS STEEL SINK - DR390 FULLY WELDED

DIMENSIONS

This fully welded 1500mm wide sink from Holmes features a left side bowl with right side drainer, and a strong, robust undershelf offering extra storage for cleaning supplies and utensils. The sink is constructed from 304 stainless steel, making it smooth and easy to clean whilst offering high resistance to rust and staining which is ideal for commercial kitchen environments. Create practical and hygienic washing areas in your kitchen with this strong, highly durable British built sink.
