CATERLITE prides itself on quality and service, ensuring that at the time of packaging the contents are supplied fully functional and free of damage.

Should you find any damage as a result of transit, please contact your CATERLITE dealer immediately

Know your Spice/Coffee Grinder

Before Use

Carefully unpack your coffee grinder and remove all packing materials. To remove any dust that may have accumulated during packaging, wipe the grinding bowl, blades with a damp lint-free cloth or sponge. Use extreme care as the blades are sharp. The transparent cover can be immersed in water for cleaning, dry thoroughly.

Caution: Never immerse the motor base in water for cleaning and do not fill the grinding bowl with water for cleaning.

Operation

1. Place the grinder on a flat surface.
2. Assemble the grinding bowl into the motor base, and then turn the bowl clockwise until a click sound is heard. When disassembling, turn the bowl anti-clockwise to detach it.
3. Pour dry spices or coffee beans into the grinding bowl, it must be noted the quantity of should not exceed 60g.
4. Attach the transparent cover and plug into the power outlet.
5. Press and hold the power switch, the appliance will start operating. Release the power switch, the appliance will stop operating.

NOTE: Do not operate this appliance continuously for more than 30 seconds, allow appliance to cool down for 3 minute between two continuous cycles.

6. View the consistency of ground product through the transparent cover.

IMPORTANT: If you want to remove the cover to check the consistency of the coffee grounds. It must be noted never remove the cover until blades come to a complete stop.

7. Once the desired grind is obtained, release power switch and unplug the power cord from the outlet.

Grinding Tips

This grinder can only grind dry, brittle foods. It will not grind anything moist, extremely hard, or gummy such as whole ginger, chocolate, sesame seeds or nutmeg. Never use the grinder to chop ice cubes.

Spices, freshly ground peppercorns etc may have a strong aroma and a taste that may affect the flavor of coffee beans ground afterward. You may want to purchase a separate grinder if you plan to grind coffee and spices.

Cleaning, Care & Maintenance

- **CAUTION:** Be sure to unplug this appliance before cleaning. To protect against electrical shock, do not immerse cord, plug or motor base in water or liquid. After each use, always make sure plug is first removed from wall outlet.
- Wash cover with water and mild detergent. The cover is not dishwasher-safe. Rinse thoroughly and dry. Never immerse motor base or filling water into the grinding bowl.
- Wipe the grinding bowl, blades with a lint-free cloth. Extreme care should be exercised as the blade is sharp.

Trouble Shooting
