

STAINLESS STEEL SINK - DR396 FULLY WELDED

DIMENSIONS

This fully welded 1800mm wide sink from Holmes features a right side drainer with double bowl on the left side, and a convenient undershelf providing extra storage for supplies and utensils. The sink is made with 304 stainless steel, making it smooth, hygienic and easy to clean whilst offering high resistance to corrosion and staining. The sink is perfect for creating practical and hygienic washing areas in any commercial kitchen.
